

Camper Packing List

Please label all of your belongings!

Keeping track of your clothes and gear is your responsibility

All firearms, bows, knives and medications will be held under lock and key by the staff. Space is limited, so try not to over-pack! Campers will not need electronics such as iPods, cell phones, gaming systems, etc. If electronics are brought to camp, these items will be checked in and held by camp staff for the duration of camp. Each camper will receive his Hunter's Safety Certification during camp, so please bring his Social Security card, as this is required by the state. If your camper already has his certification make sure and bring it at check-in.
